

2023 Scholarship Application

The Hull Nantasket Chamber of Commerce believes that an educated public leads to a more prosperous business community. A strong business community working with and supporting a strong school system can define a town. To that end, the Hull Nantasket Chamber of Commerce awards up to two \$1,000 scholarships to graduating Hull residents who have displayed intellect, involvement, and commitment.

The Hull Chamber is asking friends, family, and school officials to nominate students who have demonstrated community involvement and commitment during their high school careers.

The winning students will be awarded the scholarships at The Senior awards at Hull High School. Our preference is to keep the identity of the winners private until the names are announced.

To nominate a worthy student, please complete this short application and return it by the deadline.

This is a rare opportunity to recognize a special person in our community for the good they do when out of the classroom or off the fields and stages.
